Did either of you have a chance to talk with Jiron, or should I try giving him a call? I need to let Jim Cason know where this stands.

Randy,

I met with Dan Jiron, Acting Undersecretary, Natural Resources & Environment @ USDA

He is out of the loop for monument review for Forest Service lands

Please call him ASAP, bring him up to speed, make sure that his designees are involved in reviewing USFS lands in monuments

Thanks

As I recall, one or both of you were going to talk with Jiron, but looks like Jim got there first. Do one of you have time to talk Thursday morning? Since Jim didn't give me a phone number I need to go through you guys in any case

**Subject:** National Monument Review

Downey Magallenes asked me to contact you. I am leading the monument review process here at DOI, under her direction. I am trying to keep my schedule as open as possible, and would be available for a discussion at your convenience.

I have been working with Jamie Schmidt of the Forest Service.
